Marks: 25

Question 1

Read the passage and answer the questions that follow. (5×1=5)

The **Amazon Rainforest** is the largest tropical rainforest in the world. It is found in several countries in South America and is home to thousands of plants and animals. Tall trees, colourful birds, monkeys, and jaguars live in the rainforest. The Amazon receives heavy rainfall throughout the year, which helps the plants grow well. Many rivers flow through the forest, including the Amazon River, one of the longest rivers in the world. People visit the rainforest to learn about its amazing wildlife and natural beauty. It is important to protect the Amazon because it provides a home for many living things and helps keep our planet healthy.

Answer the following questions:

1. Where is the Amazon Rainforest found?
